

LIBERTY LOVESEAT

1LY2-300

40.9"H | 60.6"W | 35.4"D

Seat height: 18.9"

Weight: 242.5 lbs.

KEY FEATURES

- Plywood reinforcement for added strength
- Removable seat allows thorough inspection and cleaning
- Seat and back are securely locked in place during use

MATERIAL/FABRICATION

Weighted structure to maximize durability. The plywood reinforcement is used to increase the solidity (certified in accordance with BS EN 16139). The space between the base and the floor makes cleaning and inspections easier. The seat cushions can be removed for thorough cleaning and safety inspections, but are locked when someone sits on them for safety reasons. The interior is designed in flame retardant CMHR (high resilience with modified combustion) foam for safe use by both users and staff. All fabrics are flame retardant in accordance with safety standards

TEST STANDARDS

- Fire retardant to BS7176:2007 source 5
- Strength and stability tested to BS EN 16139:2013 (Level 2)
