- Electronic version also available

### FABRIC

Available in a wide choice of waterproof vinyls and fabrics

### ASSEMBLY

Arrives assembled and ready to use

### INSTALLATION/FITTING

No fitting required

### MAINTENANCE

A regular light dusting with a soft cloth is all that is required to maintain the shell's appearance. Real wood veneers are soft and can be scratched relatively easily, so it is important to avoid using abrasive materials for cleaning and care should be taken when moving items with a rough surface so as not to damage the surface. Excessive amounts of water should be avoided as this too will damage the veneer. Check before using furniture polish that it is safe for use on real wood veneers. See upholstered furniture section of our care guidelines online for fabric care instructions

### WARRANTY

5 year guarantee (does not include fabrics)
