

VEE ARMCHAIR

1VE1-200

32.6" H | 22.2" W | 25.2" D

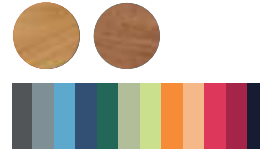

Seat height: 18.1"m

Weight: 21 lbs.

KEY FEATURES

- One-piece back and seat for strength and durability
- Strong bent plywood frame
- Stackable for easy storage

MATERIAL/FABRICATION

Designed to be stylish as well as strong. Frame made from sturdy 1.2" x 1.4" thick veneered plywood. Scalloped outside of the arms gives added design detail as well as a little added comfort when resting or moving the chair. Designed to stack up to four chairs on top of each other for practical storage

TEST STANDARDS

- Fire retardant to BS7176:2007 source 5
- Strength and stability tested to BS EN 15373:2007

COLOUR/FINISH

Frame available in Natural or Walnut finish

FABRIC

Available in a wide choice of waterproof vinyls and fabrics

ASSEMBLY

Arrives assembled and ready to use

INSTALLATION/FITTING

No fitting required

MAINTENANCE

A regular light dusting with a soft cloth is all that is required to maintain the shell's appearance. Real wood veneers are soft and can be scratched relatively easily, so it is important to avoid using abrasive materials for cleaning and care should be taken when moving items with a rough surface so as not to damage the surface. Excessive amounts of water should be avoided as this too will damage the veneer. Check before using furniture polish that it is safe for use on real wood veneers. See upholstered furniture section of our care guidelines online for fabric care instructions

WARRANTY

5 year guarantee (does not include fabrics)
