RYNO[®] STOOL → FLOOR FIXING

01	Place template in desired location and use this to mark and drill the holes for floor fixing		
	Install concrete floor fixing hardware into drilled holes, using hardware to secure bracket appropriately	02	
			
03	Place stool onto bracket and flush to floor, ensuring bracket line up with the indents on the underside of the product. Then, push back until bracket hooks into the product		
	Insert M5 pointed screw into the hole on the front of the product, ensuring it fits into bracket. Tighten screw until the product is secure		04
