Pineapple

01

Place the floor fixing brackets in position ensuring they interlock correctly.
Mark floor using holes in floor fixing brackets and install appropriate floor fixing hardware into floor
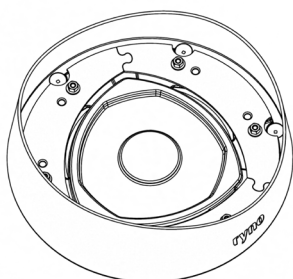

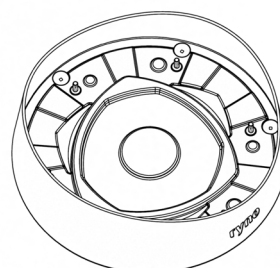

02

Fix brackets into floor using suitable hardware

03

Place the base of Ryno pedestal table over the floor fixing brackets ensuring the studs pass through. Ensure the base is firmly in contact with the floor

04

Place the remaining three hold down plates over the studs ensuring they are in the correct orientation and attach to the brackets using the six nuts and washers provided
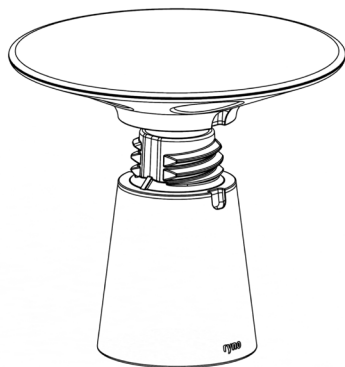

RYNO® PEDESTAL TABLE → FLOOR FIXING

	Screw on table top lining up the tab slots	**05**

06	Insert the locking tabs, narrow end first, and secure into the top using the two M10 security screws	

DISCLAIMER

→ Ensure the proper and adequate hardware is used to secure furniture
→ Ensure fixings are appropriate for the anchoring material
→ Use fixings of an appropriate strength and consider using security fixings in challenging environments
→ Consider using high strength thread-locker on fixings in challenging environments
→ Ensure all gaps are sealed with the appropriate anti-pick mastic after product installation if necessary
→ Please read all instructions carefully to ensure proper installation. Failure to read and follow instructions may result inadequate product installation and void of warranty
→ Pineapple shall not be held liable for any consequences caused by the improper installation of products to the installer or the end user
