

## KEY FEATURES

- Durable polyethylene construction provides excellent strength
- Solid grey laminate insert helps ensure the top is level, ideal for outdoor use
- Wheelchair accessible design
- Floor fixed option to deter mishandling
- Anti-microbial, wipe-clean material protects throughout the product
- Anti-tamper locking mechanisms
- Strength and durability tested for severe contract use, (inc. 1000 lb static load test)

 → Core color

### MATERIAL/FABRICATION

Rotationally moulded, durable polyethylene, screw-top construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product.

The unique corkscrew design creates a very strong connection between the table top and base, secured with anti-tamper fixings. A solid-grade laminate table top provides a durable, water-resistant surface making the table suitable for indoor and outdoor use. The table is available in 2 options - a heavily weighted option (265 lbs.) which deter lifting, and a floor fixed option which for added safety makes the table totally immovable.

### TEST STANDARDS

- Material compliant with flammability standard UL94 HB
- UV resistance tested to UV 21+ stating it can withstand 21,000 sunlight hours
- EN 15372:2007 Test level 2 with an additional 1000lb Static Load Test

### OPTIONS

- Unable to mix and match top and base, comes as 1 color as standard
- Heavily weighted 260 lb non-floor fixable option available (1RYPT-120)

### ASSEMBLY

Arrives unassembled with table top separate. Installation includes screwing on tabletop and securing it to the base with security screws.

### COLOR/FINISH

[Core color] Moonwalk Grey [Non-core colors] Icon Purple, Granite, Vegas Yellow, Epic Blue, Lime Green, Thunder Grey, Cool Green, Dusty Blue, Dusty Pink, Teal, Violet Purple, Warm Terracotta

### WARRANTY

Lifetime guarantee against all manufacturing faults

## INSTALLATION/FITTING

Please advise if floor fixing is required when ordering as fixed items are made differently. All products must be fitted carefully following Pineapple's product instructions (where available). If not, any guarantee is at risk of becoming null and void.

Installation includes screwing on tabletop and securing it to the base with security screws.

## MAINTENANCE

Our multi-purpose Ryno cleaning wipes are available to help keep your Ryno products looking their best. Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more here <https://us.pineapplecontracts.com/upholstery/care-guidance/>

## DISCLAIMER

Extreme temperature changes (e.g. a cold night followed by a warm sunny day) may cause air inside the product to expand, causing short-term changes to its shape.

Due to the nature of the rotational moulding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability.
