

HARBY 3 DOOR + 3 DRAWER SIDEBOARD

1HYG3-330

32.7H | 52.4W | 17.7D (in)

Top Panel: 1in

Side Panels: 0.71in

Weight: 163lbs

KEY FEATURES

- 1in thick tops and 0.71in Hickory melamine-faced carcass
- Robust 160 ° opening hinges on all doors
- Optional locks to doors
- Strength and stability tested to contract levels
- Optional 0.5in CLEAN-TEC Solid-Surface top

MATERIAL/FABRICATION

Harby's carcass is made from a combination of 1in melamine-faced particle board and vinyl-wrapped medium density fiberboard. Double thickness drawer fronts with 0.71in back and sides and 0.71in drawer bottoms result in a very robust drawer. Corners are smooth for additional safety as well all edges being lipped in tough 2mm PVC.

CLEAN-TEC* is a solid, water-resistant material with a tactile feel and a seamless smooth finish. Highly resistant to bacteria and mold, CLEAN-TEC's non-porous nature makes it ideal for stringent infection-control practices and its low VOC (volatile organic compounds) minimize harmful emissions while supporting indoor air quality.

OPTIONS

- Locks to doors and drawers
- More available in the Harby Lounge range
- Optional 0.5in CLEAN-TEC* Solid-Surface top, these tops are available in white only, and are recommended for low-risk areas (as below)

Optional CLEAN-TEC Top
6HYG3-300-WH
