

KEY FEATURES

- 1.1" thick tops and 0.7" Hickory melamine-faced carcass
- Double thickness drawer fronts with 0.7" back and sides and 0.4" drawer bottoms result in very robust drawers
- Robust 160 ° opening hinges on all drawers
- Durable metal drawer runners

MATERIAL/FABRICATION

Harby's carcass is made from a combination of melamine-faced particle board and vinyl-wrapped medium density fibreboard. Double thickness drawer fronts with 0.7" back and sides and 0.4" drawer bottoms result in a very robust drawer. Corners are smooth for additional safety as well as all edges being lipped in tough PVC. The Harby range replaces our popular Hamble range.

TEST STANDARDS

- Surface durability tested to BS6250
- Strength and stability tested to BS EN 4875
