4-drawer chest  
1AUC-400  
32.9H | 31.9W | 19D (")  
Weight: 180.5 lbs.

4-drawer chest with  
Clean-Tec top  
1AUC-160  
32.9H | 31.9W | 19D (")

## KEY FEATURES

- Heavily weighted to deter misuse
- Double thickness drawer fronts with thick back and sides and drawer bottoms resulting in very robust drawers
- Specially designed to minimize concealment areas (e.g. underside, between drawers)

### MATERIAL/FABRICATION

Heavily weighted carcass made from a combination of melamine-faced particle board and vinyl-wrapped medium density fiberboard. Complete with drawer stops and fully glued, fixed shelves to prevent removal as well as anti-stash panels. Heavy-duty hinges and robust drawer runners used (rated to 88 lbs.) as well as scalloped handles and piano hinges to reduce ligature risk. Corners are smooth and rounded for additional safety as well as all edges being lipped in tough PVC. Security fixings as standard.

### TEST STANDARDS

- Surface durability tested to BS6250
- Strength and stability tested to BS EN 15373:2007
- UL723 surface burning test

### OPTIONS

- Locks to drawers for security
- Open option without doors/drawers available
- Water-resistant CLEAN-TEC top (not recommended for high risk areas)

### COLOR/FINISH

Hickory finish with gloss gray doors

### ASSEMBLY

Arrives assembled and ready to use

### INSTALLATION/FITTING

**WARNING – PROFESSIONAL INSTALLATION REQUIRED.**  
This product is designed as permanently fixed institutional furniture and must be secured to the building structure prior to use. Not intended for freestanding or residential use.  
The product requires professional installation and must be permanently secured to the building structure by a competent installer before use.

### MAINTENANCE

A regular light dusting with a soft cloth is all that is required to maintain the appearance of this range. For more stubborn marks use a damp, not wet, cloth (a non-abrasive water-based cleaning agent can be used) and dry thoroughly. It is important to avoid using abrasive materials or cleaning agents for cleaning as this will cause scratching to the surface. Excessive amounts of water should also be avoided - any accidental spillages should be mopped up immediately and the surface dried thoroughly.

### WARRANTY

7 year guarantee
