

ACUMEN 4-DRAWER DESK

1AUD-400-HG

28.9H | 42.7W | 19D (in)

Top Panel: 1in

Side Panels: 0.71in

Weight: 174.2lbs

KEY FEATURES

- 1in thick tops and 0.71in Hickory melamine-faced carcass
- Heavy-duty hinges on drawer runners (rated to 99lbs)
- Heavy weighted to deter misuse
- Can be fastened to the wall
- Strength and stability tested to contract levels
- Optional 0.5in CLEAN-TEC Solid-Surface top

MATERIAL/FABRICATION

Heavily weighted carcass made from a combination of melamine-faced particle board and vinyl-wrapped medium density fiberboard. Complete with drawer stops and fully glued, fixed shelves to prevent removal as well as anti-stash panels. Heavy-duty hinges and robust drawer runners used (rated to 99lbs) as well as scalloped handles, piano hinges, curved door tops and half-depth shelves to reduce ligature risk. Corners are smooth and rounded for additional safety as well all edges being lipped in tough 2mm PVC. Security fixings as standard.

CLEAN-TEC* is a solid, water-resistant material with a tactile feel and a seamless smooth finish. Highly resistant to bacteria and mold, CLEAN-TEC's non-porous nature makes it ideal for stringent infection-control practices and its low VOC (volatile organic compounds) minimize harmful emissions while supporting indoor air quality.

OPTIONS

- Locks to drawers (excludes top drawer)
- Optional 0.5in CLEAN-TEC* Solid-Surface top, these tops are available in white only, and are recommended for low-risk areas (as below)
