ACUMEN

Acumen has been specially designed for **high-risk** challenging environments with reduced-ligature features and minimised concealment opportunities.

Acumen Open cabinetry range available without doors and drawers for safety and durability.

Optional sloping top prevents climbing and allow thorough inspection below

Drawer fronts with reduced-ligature handles are inset into the cabinet for added durability

Continuous piano hinges minimise ligature risks

Half-depth shelf with upstand instead of clothes rail to minimise ligature risks

Curved door tops and rounded corner posts and front corners deter misuse right

Shelves are securely fixed from the back panel, shelving is stepped to deter climbing right

Enclosed underside on Acumen cabinetry (excluding wardrobes) eliminates concealment opportunities, feet help raise the units below

Heavy duty side mounted, non-removable drawer boxes with anti-stash panels on top and bottom above

Side panels are made up from 3 layers of 18mm boards to make a **54mm thick profile**. 2 base rails and double plinths offer additional support above

Anti-tamper Security Screws

Find out what makes our
Acumen range's drawers
well-suited for demanding
environments.

Strong cam and dowel
construction with glued
wooden dowels for
added durability

Security fixings to
deter tampering

Reduced-ligature inset
scalloped handle design

Heavy duty ball bearing drawer
runner (fully extends for access)
non-removable drawer boxes
with 9mm anti-stash panels for
additional strength and safety

Heavy-duty drawer runners with **45kg** load carrying capacity

Double thickness drawer fronts with **18mm** back and sides and **18mm** drawer bottoms result in very robust drawer
