

KEY FEATURES

- One-piece design makes products water-resistant and prevents concealment of contraband
- Tapered design maximises floor space and aids staff access
- Reduced-ligature design features

→ Core color

MATERIAL/FABRICATION

Rotationally molded, durable polyethylene, one-piece construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product. Item is fully recyclable as polyethylene can be melted down to create a whole new product.

TEST STANDARDS

- Tested to ANSI/BIFMA X5.5:2012 standards
- Fire retardant to CAL 133 and UL 94 HB

OPTIONS

- Infill panels minimize concealment risks when positioned against a wall
- Restraints for bed with storage available with fully customizable number of fixings and locations
- Bed also available with storage

1RYBS

18.9"H | 82.7"W | 39.8"D

Weight: 227 lbs.

COLOR/FINISH

[Core color] Moonwalk Gray [Non-core colors] Granite, Cool Green, Icon Purple, Epic Blue, Blaze Orange, Lime Green, Vegas Yellow, Thunder Gray, Black

ASSEMBLY

Arrives assembled and ready to use

INSTALLATION/FITTING

Floor/wall fastening is required for this product. All products must be fitted carefully following Pineapple's product instructions (where available). If not, any guarantee is at risk of becoming null and void

MAINTENANCE

Our multi-purpose Ryno cleaning wipes are available to help keep your Ryno products looking their best. Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat

WARRANTY

Lifetime guarantee against all manufacturing faults

Due to the nature of the rotational molding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability
