

ORR PLUS BARIATRIC CHAIR

10RB1-400

33.5H | 35.4W | 34.2D (in)

Seat Height: 17.3in

KEY FEATURES

- Strength tested to 700lbs
- Full plywood reinforcement ensures extra strength and stability
- Fully enclosed base to prevent concealment
- Slim arm maximizes seating capacity
- Removable seat and back cushions for easy cleaning
- Seat static weight tested to 1100lbs

MATERIAL/FABRICATION

Heavyweight carcass made from a mix of particle board and plywood with solid beech wood feet. Full plywood reinforcement is available in our Orr Plus range and is used instead of springing for extra strength. Slim arm used to maximize seating area. Gap left between base and floor to allow for easier cleaning and inspections. All cushions can be removed for easy cleaning and are made from fire retardant, CMHR (combustion modified high resilience) foam

TEST STANDARDS

- Fire retardant to BS 7176:2007 source 5
- Strength and stability tested to BS EN 15373:2007 (Test level 3 - Severe Use)
