SOVIE

Unique, safe & hygienic
bed solutions

SOVIE

This range has been designed to provide an ideal safety solution for beds in challenging environments.

Fixed or removable restraints available with fully customizable number of fixings and locations [below](#)

Infill panels can be used to minimize concealment opportunities when positioned against a wall [above](#)

Strength
Internal support ribs provide extra strength and durability

Water resistance
Sovie's one-piece mattress platform has no joints or crevices through which liquid can permeate, preserving hygiene and infection control levels

Kydex material
The Sovie bed is coated in Kydex* - a tough plastic found in aircraft interiors. It has an extremely durable finish which withstands impact and is resistant to tough chemical cleaners. It is also flame-retardant and anti-bacterial.

**white finish uses Kydex, hickory uses Epotesch thermoformed plastic*
