

RYNO® ACTIVITY TABLE

KEY FEATURES

- Cruciform base design prevents conflict and passing of contraband
- Anti-microbial, wipe-clean material protects throughout the product
- Naturally heavy construction deters misuse
- Games table top is laser printed featuring chess, solitaire, and backgammon

Base Colors

Black bases made from 100% recycled content

Tabletop Finish

Lifetime guarantee

Weighted options

Fire retardant

Floor fastenable

MATERIAL/FABRICATION

Rotationally molded, strong polyethylene construction. Top has an embedded brass fixing which is then bolted to the cruciform base to secure. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Tabletop features a wipe-clean laminate finish. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product. Item is fully recyclable as polyethylene can be melted down to create a whole new product

TEST STANDARDS

- Tested to ANSI/BIFMA X5.5:2012 standards
- Fire retardant to CAL 133 and UL 94 HB

OPTIONS

- Weighted model (309 lbs.)
- Floor fastening solution

COLOR/FINISH

Base comes in Black as standard with Granite also available. Table top available comes with the Games Top finish

ASSEMBLY

Top and base assembly required -please refer to product instructions

INSTALLATION/FITTING

Additional weighting can be carried prior to delivery. Please advise if floor fixing is required when ordering as fixed items are made differently. All products must be fitted carefully following Pineapple's product instructions (where available). If not, any guarantee is at risk of becoming null and void

MAINTENANCE

Our multi-purpose Ryno cleaning wipes are available to help keep your Ryno products looking their best. Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat

WARRANTY

Lifetime guarantee against all manufacturing faults

**Due to the nature of the rotational molding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's*
