- Fluid run-off channels in mattress platform to reduce condensation and aid cleaning
- Reduced-ligature design features
- Can be securely fixed to the floor with supplied kit
- 1100lbs static load test

 → Core color

MATERIAL/FABRICATION

The Ryno cube bed has been designed to be a narrower width for smaller rooms. Flat sides and 90° degree corners aid placement of the bed in the corner of a room. The design of the bed allows the Ryno bedside table to be placed flush against the side of the bed.

The Ryno cube bed has no foam filling and includes floor fixing kit as standard.

Rotationally molded, durable polyethylene, one-piece construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Item is fully recyclable as polyethylene can be melted down to create a whole new product.

TEST STANDARDS

- EN 1725:1998 (corresponding to a 36 stone user)
- Ryno material UL94 Fire test
- UV resistance tested to UV 21+ stating it can withstand 21,000 sunlight hours
- 1100lbs. Static Load testing to the centre of the base

COLOR/FINISH

[Core colors] Moonwalk Grey [Other available colors] Granite, Cool Green, Icon Purple, Epic Blue, Blaze Orange, Lime, Vegas Yellow, Thunder Grey, Black

Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more here <https://us.pineapplecontracts.com/upholstery/care-guidance/>

WARRANTY

Lifetime guarantee against all manufacturing faults

DISCLAIMER

Extreme temperature changes (e.g. a cold night followed by a warm sunny day) may cause air inside the product to expand, causing short-term changes to its shape

Due to the nature of the rotational moulding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability.
