MATERIAL/FABRICATION

Rotationally moulded, durable polyethylene, one-piece construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product. Item is fully recyclable as polyethylene can be melted down to create a whole new product.

TEST STANDARDS

- Tested to ANSI/BIFMA X5.5:2012 standards
- Fire retardant to BS 5852:2006 ignition source 5, CAL 133 and UL 94 HB
- Tested to BS EN 16121:2013+A1:2017 Test Level 2 Severe
- UV resistance tested to UV 21+ stating it can withstand 21,000 sunlight hours

COLOR/FINISH

[Core color] Moonwalk Grey [Non-core colors] Granite, Cool Green, Icon Purple, Epic Blue, Lime Green, Vegas Yellow, Thunder Grey, Dusty Blue, Dusty Pink, Teal, Violet Purple and Warm Terracotta

ASSEMBLY

Arrives assembled and ready to use

INSTALLATION

Please contact us for installation instructions. Products may be wall fixed (by the customer, using wall anchors and fixings of their choice) for additional strength

MAINTENANCE

Our multi-purpose Ryno cleaning wipes are available to help keep your Ryno products looking their best. Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more here <https://us.pineapplecontracts.com/upholstery/care-guidance/>

WARRANTY

Lifetime guarantee against all manufacturing faults

Due to the nature of the rotational molding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability
