## DESIGNED FOR PEACE OF MIND

Designed by  
Ross McLean

Made from recyclable polyethylene, products in our award-winning Ryno® range are inherently waterproof and are designed to minimize ligature risks in mental health environments.

Our latest Ryno® wall-mounted mini wall shelf provides a versatile storage option which is perfect for washrooms where water-resistance is essential, and for bedrooms where floor space may be limited.

The shelf has been designed with smoothly rounded edges and a sloping top help to minimize ligature risks and maximize safety.

Like all products in the Ryno® range, the mini wall shelf is available in a versatile palette of 13 colors, allowing extensive personalization and patient choice.
