

KEY FEATURES

- Rounded, one-piece construction deters misuse and prevents concealment of contraband
- Cruciform base designed to minimize conflict
- The moulded top table is divided into separate user areas to reduce conflict
- Moulded top table is water resistant and UV stabilized, making it suitable for outdoor use
- Extremely durable - tested to withstand a static load of 1100 lbs

Base Colors

Black bases made from 100% recycled content

Tabletop Colors

Core color

MATERIAL/FABRICATION

Rotationally molded, strong polyethylene construction. Top has an embedded brass fixing which is then bolted to the cruciform base to secure. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Small drilled holes make it suitable for outdoor use. Anti-microbial material gives high chemical resistance (e.g. ammonia, sodium hydroxide) throughout the product. Item is fully recyclable as polyethylene can be melted down to create a whole new product

TEST STANDARDS

- Tested to ANSI/BIFMA X5:5:2012 standards
- Fire retardant to BS 5852:2006 ignition source 5, CAL 133 and UL 94 HB
- UV resistance tested to UV 21+ stating it can withstand 21,000 sunlight hours

OPTIONS

- Weighted model (218 lbs)
- Floor fixing solution

COLOR/FINISH

Base comes in Black or Granite as standard. Table top available in Granite only

ASSEMBLY

Top and base assembly required -please refer to product instructions

MAINTENANCE

Our multi-purpose Ryno cleaning wipes are available to help keep your Ryno products looking their best. Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more here <https://us.pineapplecontracts.com/upholstery/care-guidance/>

WARRANTY

Lifetime guarantee against all manufacturing faults
