

KEY FEATURES

- Sloping top designed to prevent climbing and reduce ligature risks
- Inside opening designed to prevent items from being wedged, minimizing risks
- Securely locked by staff to prevent unauthorised access
- 25 liter (6.6 gallon) internal washable bin avoids the safety risks normally associated with liner bags
- Narrow opening reduces spillages in the event of overturning
- 100% waterproof, anti-bacterial surface which will not rust

MATERIAL/FABRICATION

Rotationally molded, durable polyethylene, one-piece construction provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant shell. Hygienic wipe-clean surface, quick to dry ready to be used again. For security, you can choose between an innovative hidden floor fixing system or optional weighting to prevent the SafeWaste unit from being picked up or moved.

The rigid internal liner replaces typical liner bags, reducing safety risks associated with them. This item is fully recyclable as polyethylene can be melted down to create a whole new product.

TEST STANDARDS

- Tested to ANSI/BIFMA X5:5:2012 standards
- Fire retardant to CAL 133 and UL 94 HB

OPTIONS

- Available as a floor fixed option
- Heavyweight option (112lbs) - 1RYQ-51

COLOR / FINISH

[Core colors] Moonwalk Gray, Granite, Cool Green, Icon Purple, Epic Blue, [other colors available] Lime Green, Vegas Yellow, Thunder Grey, Dusty Blue, Dusty Pink, Teal, Violet Purple and Warm Terracotta

ASSEMBLY

Arrives assembled and ready to use

INSTALLATION/FITTING

Additional weighting can be carried out prior to delivery. Please advise if floor fixing is required when ordering as fixed items are made differently. All products must be fitted carefully following Pineapple's product instructions (where available). If not, any guarantee is at risk of becoming null and void

MAINTENANCE

Avoid using abrasive materials or cleaning agents, solvents, steam cleaning or jet washing. Use bleach and chlorine disinfectant with caution and avoid placing in close proximity to sources of heat. Read more here <https://us.pineapplecontracts.com/upholstery/care-guidance/>

WARRANTY

Lifetime guarantee against all manufacturing faults

DISCLAIMER

Extreme temperature changes (e.g. a cold night followed by a warm sunny day) may cause air inside the product to expand, causing short-term changes to its shape. Due to the nature of the rotational molding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability.
