

RYNO[®]

Combo
Table

Pineapple

Combining extreme strength and durability with a welcoming aesthetic, the pioneering Ryno range was first introduced over a decade ago, starting with the revolutionary heavily weighted Ryno dining table.

The addition of the Ryno Combo table brings further flexibility to the range, available in three different top sizes (2 of which are wheelchair accessible) in a choice of 13 versatile colors.

Like all Ryno products, the Combo table base is made from waterproof, impact-resistant rotationally molded polyethylene.

The single-piece design ensures there are no joints or seams that could otherwise become points of weakness.

We're continuously looking for ways to reduce the carbon emissions associated with our products, and the Combo table is no exception - our innovative manufacturing process incorporates an internal layer of recycled polymer, making up 40% of the table's composition.

As a result, each table requires 11lbs less virgin polymer to manufacture, saving 15lbs of CO₂ emissions and 239MJ of energy.

RYNO[®] COMBO TABLE

**Ryno Combo table
with 37.8 x 37.8in top**
1RYCT
31.5H | 37.8W | 37.8D (in)

**Ryno Combo table
with 47.2 x 47.2in top**
1RYCT-142
31.5H | 47.2W | 47.2D (in)

Standard weight: 54kg
Weighted option: 142kg

**Ryno Combo table
with 94.5 x 47.2in top**
