- Compatible with covered flooring (please specify at point of order)
- 100% waterproof construction with hygienic wipe-clean surface
- Contains 40% recycled content
- Strength and stability tested for severe contract use

 → Core color

MATERIAL/FABRICATION

The Ryno Wall Bed is compatible with covered flooring and can be modified to be securely fitted to prevent concealment opportunities and reduce ligature risks. Whilst the flared side provides improved patient mobility and access to caregivers.

The Ryno Wall Bed has no foam filling and is designed using a rotationally molded, durable polyethylene, one-piece construction, which provides excellent strength and stability. Flamed, textured finish further strengthens the fire-retardant, water-resistant, UV-stabilized shell. Item is fully recyclable as polyethylene can be melted down to create a whole new product.

TEST STANDARDS

- EN 1725:1998 (corresponding to a 36 stone user)
- Ryno material UL94 Fire test
- 1100lb Static Load testing to the center of the base

COLOR/FINISH

[Core color] Moonwalk Grey [Other available colors] Granite, Cool Green, Icon Purple, Epic Blue, Lime Green, Vegas Yellow, Thunder Grey, Dusty Blue, Dusty Pink, Teal, Violet Purple, Warm Terracotta and OceanGreen.

OPTIONS

WARRANTY

Lifetime guarantee against all manufacturing faults

DISCLAIMER

Extreme temperature changes (e.g. a cold night followed by a warm sunny day) may cause air inside the product to expand, causing short-term changes to its shape .

Due to the nature of the rotational molding process, flat surfaces on Ryno® products may feature slight undulations which do not detract from the product's strength or durability.

There will be some color variation from batch to batch this is the nature of the reclaim polymer.
