Clean, modern styling for
demanding environments

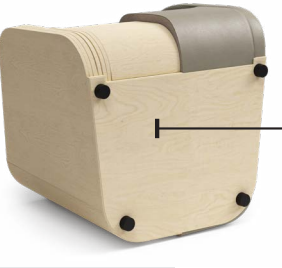

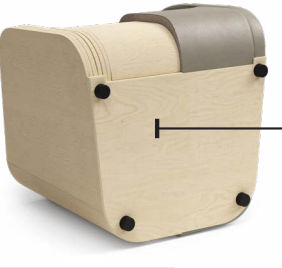

Pineapple

REINFORCED FOR PEACE OF MIND

All of our products are designed and tested for use in demanding environments, but for the most challenging spaces, our Plus ranges have extra reinforcement for maximum strength and durability.

STANDARD VS PLUS

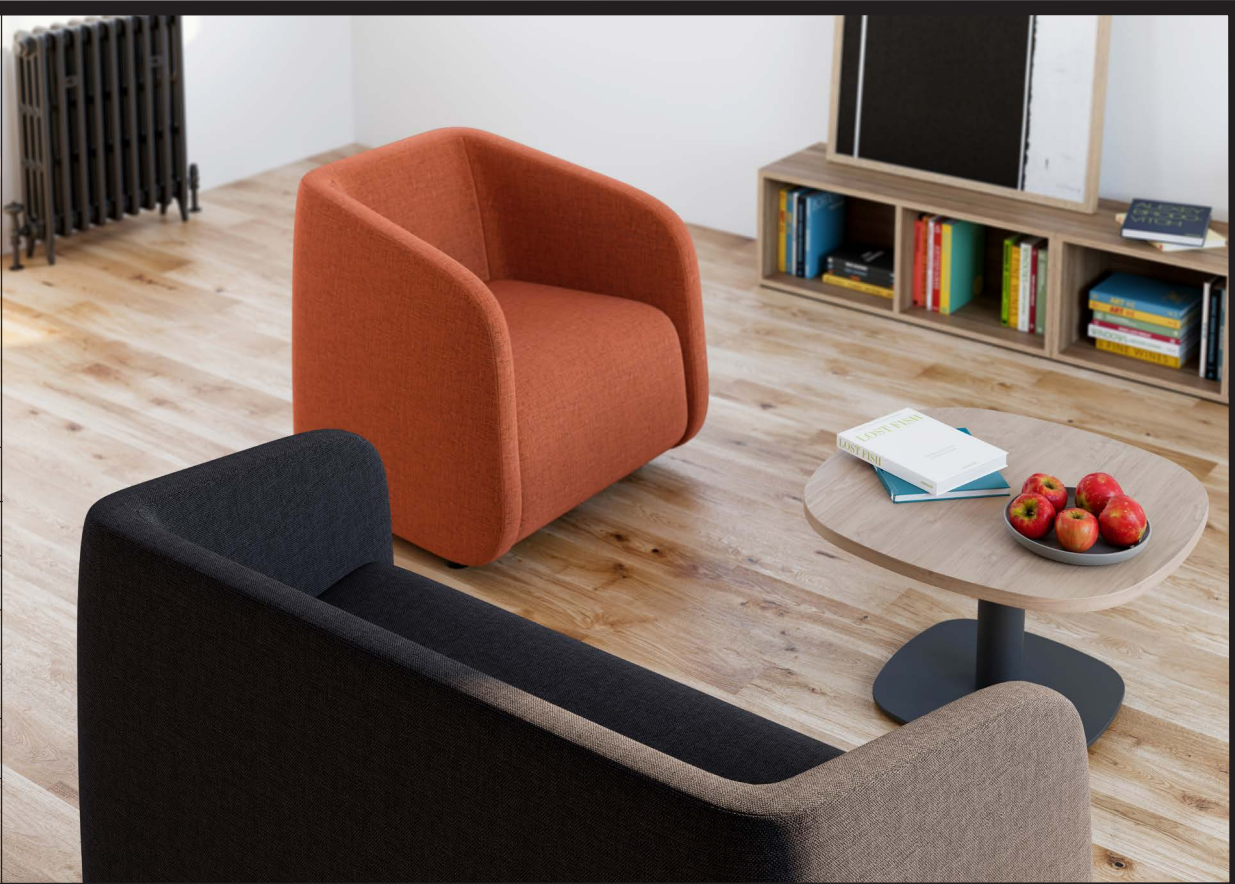

STANDARD	Durable construction, perfect for low risk spaces	
	<div><div>Webbed back</div><div></div></div> <div><div>+ Reinforced seat adds strength & durability</div><div></div></div> <div><div>Cloth underside</div><div></div></div>	
PLUS	Enhanced strength and safety features for challenging environments	
	<div><div>+ Reinforced back adds strength & durability</div><div></div></div> <div><div>+ Reinforced seat adds strength & durability</div><div></div></div> <div><div>+ Reinforced underside adds strength & reduces concealment opportunities</div><div></div></div> <div><div> → Security screws are used (where accessible) to prevent tampering</div><div><div> → No piping to reduce ligature risks</div><div> → No staples to reduce self-harm risks</div></div></div>	

SIGMA

Wrap-around design of the seat back provides comfort and support.

Designed to help make the most of your available space

The tub chair design is more compact than a traditional armchair but just as comfortable. Sigma and Sigma Plus are available in an armchair, 2-seater and 3-seater options.

Strength and stability
tested for non-domestic use
(BS EN 16139:2013 - Level 2).
All fabrics are fire retardant
to BS7176:2007 source 5.

Sigma Plus model
features a fully enclosed base
with security fixings to prevent
concealment.

SIGMA

Seat static weight tested to  440LBS

Sigma chair
1SIG1-100
30.9H | 31.1W | 31D (in)
