Environmental statement

Our commitment to sustainability is demonstrated through our **ISO 14001:2015** certification, FSC[®] Chain of Custody certification (**INT-COC-001353**), and FSC[®] license code **FSC-C015370**. We are also certified under the PEFC Chain of Custody program (license code **PEFC/16-37-982**).

Environmental responsibility is important to us, and we strive to source all timber from responsibly managed forests. In support of responsible forest management, we purchase certified timber wherever possible.

Products in our Ryno[®] range are made from 99% low-density polyethylene (LDPE), which is fully recyclable. At the end of their useful life, products can be returned to us, ground into small granules, and used to create new pieces of furniture.
