

KEY FEATURES

- Corners are rounded for safety
- All edges lipped in tough PVC
- Safety backed glass mirror panel recessed into frame

MATERIAL/FABRICATION

Carcase made from a combination of melamine-faced particle board and vinyl-wrapped medium density fibreboard. Corners are smooth and rounded for additional safety as well all edges being lipped in tough PVC. Security fixings as standard

TEST STANDARDS

- Surface durability tested to BS6250
- Strength and stability tested to BS EN 15373:2007

COLOR/FINISH

Carcase in Walnut as standard but is also available in Hickory

ASSEMBLY

Arrives assembled and ready to use

INSTALLATION/FITTING

All products must be fitted carefully following Pineapple's product instructions (where available). If not, any guarantee is at risk of becoming null and void

MAINTENANCE

A regular light dusting with a soft cloth is all that is required to maintain the appearance of this range. For more stubborn marks use a damp, not wet, cloth (a non-abrasive water-based cleaning agent can be used) and dry thoroughly. It is important to avoid using abrasive materials or cleaning agents for cleaning as this will cause scratching to the surface. Excessive amounts of water should also be avoided - any accidental spillages should be mopped up immediately and the surface dried thoroughly.

WARRANTY

5 year guarantee
